

# School Visitor Security

## Why are these students smiling?

They are smiling because they feel safe. To keep them feeling secure on school premises, you need to know who's walking your halls. That is why visitor badging is such an important part of school safety.

### Security with a smile!

Valid

Expired

## With TEMPbadge® Expiring Badges you don't have to worry.

At Temtec, we build security into our visitor badges...and we do it with a smile. Our TEMPbadge line of expiring badges don't need to be collected because they expire gradually.

A "smiley face" sticker applied to each 2"x 3" badge causes a change to appear by the next day so the badge can't be reused. And the best part: no hardware, software, or electronics
