Gift & LoyaltyCard Management Made Easy!

132 NE 29th Street, Fort Lauderdale, FL 33334 | 888.547.7419 | www.GavaSystems.com

GávaEL is the simplest and most cost effective way to build on and profit from the popularity of gift and loyalty gift card programs locally or across the globe. Developed for virtually any type of business **GávaEL** is easy to learn, easy to use and can pay for itself many times over in just a few months.

GávaEL does not reduce your profit potential by assessing you interchange or per-swipe fees. **GávaEL**'s unique design, a first in the industry, means that your profits margins and thus return on investment are far greater than any other product currently available.

GávaEL's simple interface insures that you and your staff can have a complete understanding of the entire transaction process in just about 5 minutes. If you need assistance just press your F1 key from any screen to get screen specific help and detailed instruction about all options. And as always **Gáva Systems** friendly and knowledgeable staff is available 24/7 via phone. When you are ready to expand so is **GávaEL** - a simple phone call is all it takes to add new stations or even a new store.

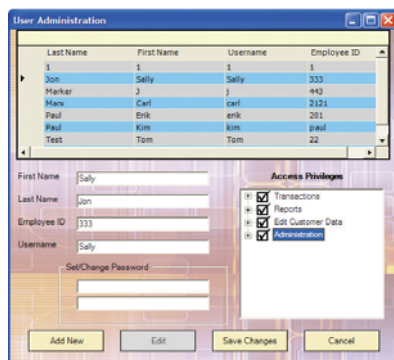

GávaEL makes updates a snap with SmartUpdate. Simply starting the **GávaEL** software insures that updates are installed and available to you. No need for your IT staff to do the work!

Main Menu: Easy to use and easy to learn interface completely eliminates the needs for multiple clicks, keystrokes or special codes of any kind

Transaction Gift: Color coded dialogs make for quick and easy processing reducing the wait at check-out to mere seconds

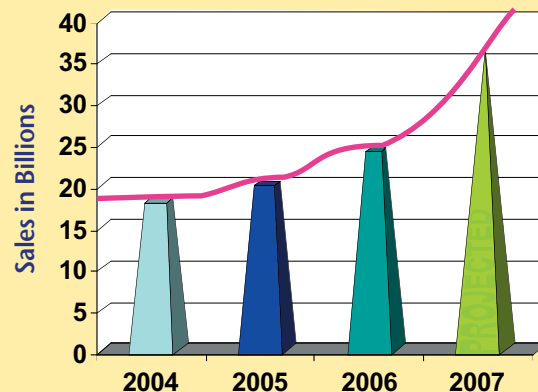

User Admin Security: GávaEL gives you complete control over access to the software. Making for a more secure program with less of a possibility for shrinkage or theft.
