

Look to *PassagePoint* for Speed, Security and Stability in Corporate Lobbies

Corporate lobbies are challenging to manage. Visitors need to be signed-in and badged quickly while capturing enough information to maintain a high level of security and tracking. Also, there is the dilemma of how to offer excellent customer service to visitors without bogging down the reception staff with a tedious sign-in process. Now, these challenges can be managed in one, easy to use solution. PassagePoint.
