

Look to *PassagePoint* for Speed, Security and Stability in government agencies and contractors

Ever-increasing security requirements makes visitor management more challenging than ever, especially for government agencies and contractors. Visitors must be carefully verified, screened and badged, all while maintaining a steady pace to keep the visitor line moving. Now, these challenges can be managed in one, easy-to-use solution, PassagePoint.

The PassagePoint Visitor Badging and Lobby Security Solution

- ▶ Track citizenship and non-resident information for export control
- ▶ Scan government I.D.'s such as Driver's Licenses for faster entry
- ▶ Use a visitor sign-in station to capture pre-screening info
- ▶ Display agreements, such as NDA's
- ▶ Capture photos and signatures
- ▶ Pre-register individuals and groups, using a Web browser
- ▶ Provide multiple authorization levels for approving visitor access
- ▶ Use "look-out/watch" list to alert reception of unwanted visitors or VIPs
- ▶ Integrate with access control systems
- ▶ Create an audit trail on every visitor
- ▶ Custom design badges for each type of visitor or contractor
- ▶ Use self-expiring and/or color-coded badges
- ▶ Issue parking lot or gate passes and track vehicle I.D.'s
- ▶ Reduce paperwork—no more handwritten visitor logs or badges

The Advantages of PassagePoint
