Look to *PassagePoint* for Speed, Security and Stability in *Healthcare and Insurance facilities*

Healthcare facilities and medical insurance companies are under pressure to meet HIPAA deadlines and protect the privacy and security of patients and customers. Visitors must be recorded and badged in a secure way that is quick and easy for both visitor and reception staff. PassagePoint helps meet these challenges!

The PassagePoint Solution for Badging Visitors, Outpatients and Insureds:

▸ Know who is in facility, and why

▸ Control visitors at all entrances

▸ Speed visitor registration and badging time

▸ Badge "after hours" visitors

▸ Pre-register outpatients or visitors

▸ Easy for receptionists and guards to learn and use

▸ Use "look-out" list to stop unwanted visitors

▸ Add security with self-expiring badges

▸ Capture photos as needed for any type of visitor

▸ Customize reports or use templates

▸ Restrict number of visitors per patient

▸ Design unique badges for specific departments or each visitor category

The Advantages of PassagePoint:

Speed

▸ Badging is 20-50% faster than manual or other systems

▸ One-click signs in the visitor and prints badge

▸ Minimal training time...learn while doing

Security

▸ Create a front line of defense for patients and staff

▸ Increase patient safety by screening visitors

▸ Look-out/Watch list helps stop unwanted visitors.

Stability

▸ Retain visitor records as long as desired

▸ No-hassle system— I.T. administration not required

▸ Backed by the largest Visitor Badging Software company in the U.S.
