Secure badges made easy!

Expiring ONEstep TIMEbadge®

Save time and effort with the Expiring ONEstep TIMEbadge. Simply write on the badge, peel away the liner, press together, and issue to visitor.

- *Ideal for high volume visitor traffic*
- *No need to worry about unauthorized reuse of uncollected badges*
- *Patented color change is highly visible from a distance*
- *Available in One-Day expiration*
- *Choose from a variety of badge designs to help classify your visitors*

Need to keep track of your visitors?

Use the Expiring ONEstep TIMEbadge with our Visitor Sign-in System

Save time by having your visitors register using The TEMPbadge Sign-in System. As visitors write on the carbon-backed logsheet, they simultaneously fill out their own badges. You keep the logsheet for your records, the visitor gets the badge.
