***Unique tab design for easy clean-up of discarded badges***

## TABbadge®

Have you noticed that discarded adhesive badges often end up stuck on floors and walls? That is why we created the TABbadge with a unique patented adhesive design that makes clean-up a breeze.

- *A clear adhesive tab peels up from the back of the badge to attach to clothing*
- *Only the tab surface is adhesive, so the badge is easy to handle and lift off surfaces*

*Also available with an expiring One-Day TIMEspot*

*Lift the adhesive tab on the back of badge and attach tab to clothing surface.*
