

EVOLIS TRY & BUY PROGRAM

Explore new possibilities with TransTech Systems & Evolis!

TransTech Systems brings you the most reliable ID card printers on the market. We are so confident in the quality and performance of the new Evolis card printers that we will give you a **30-day FREE trial of an Evolis printer** through our special Try & Buy program. Try the Evolis printers now and experience the difference!

Tattoo²
Entry-level single-sided color card printer

Pebble⁴
Single-sided color card printer
3-year warranty

✓ A **3-year warranty** on the Pebble and Dualys printers with a limited **free loaner** when purchased through TransTech Systems

✓ **Higher margins:** limited distribution, strong MAP Policy

Dualys³
Dual-sided color card printer
3-year warranty

QUANTUM
Dual-sided card printer for high volumes

Place your order mentioning the "Try & Buy Program" now, and we will send you your Evolis printer, along with a color ribbon and 100 cards free of charge! After 30 days, if you want to keep the printer, you can purchase it at a special price. If you do not wish to keep the printer, please contact us to get an RMA and show proof of the return shipment within 30 days of the original invoice date for full credit.

Remember, with TransTech Systems: when you purchase a Pebble or a Dualys printer, you will get a **loaner program at no charge** when your printer is under warranty.

Do not miss the opportunity to test the new Evolis printers and grow your business now!
