SECURE

The Magicard Rio Pro's patented HoloKote security technology adds a watermark to the card as it is printed - it requires no additional consumables and can be customised to an individual logo design - enabling true security at no extra cost.
Secure encoding options include magnetic stripe, contactless and smart card technologies.

EXPERT

Built for professionals, the Rio Pro's superior card printing quality is enhanced by ICC profiles that seamlessly map colours between software and the printer.
The clear 4-line display provides intelligent user information and interaction.

FLEXIBLE

USB and Ethernet interfaces are complemented with a Microsoft-certified plug & play driver.
Batch print with the interchangeable 100-card feeder or print one-offs with the hand-feeder.
Upgrade a single-sided Rio Pro to double-sided printing using a simple in-field upgrade kit.

UHF

Gen 2 UHF RFID technology offers a greater read range as well as multiple card reads simultaneoulsy.
This internationally known standard brings security and accessibiltiy to the identification process.

---

3 year UltraCoverPlus warranty
The Rio Pro is supplied with a free, 3 year warranty with hassle-free printhead cover and loaner service.
